During the transition period, we'll continue to publish the MixLr schedule on the BZD MixLr channel to tell you about available BZD & Hokkai Dojo MixLr broadcasts: <https://mixlr.com/bristolzendojo/events>

The Zen Bristol Dojo Live web page also carries a weekly list of times, which will be kept up to date. On that page, as well as the 'player' for the new system broadcasts, you'll see a 'chat' facility you can use if you're not on the 'Zen Matters' *WhatsApp* group. We hope in future to provide an opt-in notification service for Dojo Live broadcasts, similar to MixLr's.

### A reminder if you're coming to the Dojo in person

The booking system - previously on a separate site (dojobookings.page) - has been absorbed into the Zen Bristol website at: <https://zenbristol.co.uk/dojo-bookings>
